Dear Examiner Medley:

Accompanying this facsimile transmission is the one page of the European Search Report in corresponding European application EP 01 12 1338, and our Information Disclosure Statement and PTO-1449 that we timely filed on the 10th of December 2002. A copy of the postcard receipt confirming the filing of the Information Disclosure Statement is enclosed.

You will note in the European Search Report, only the Berger U.S. 6,111,055 reference (referred to as Frihart by the European Search Examiner) is labeled as "X", that is particularly relevant if taken alone.

You will also note that the Berger '055 reference was discussed on page 5, lines 8 through 11 of our originally filed specification.
